use your input to set new
Goals and Action Steps for
our 2021-2024 LCAP.**

Thank you for your support of our district. BUSD continuously engages parents, students, employees, and the community to monitor the progress of our goals to improve student achievement and district services.

The BUSD Board of Education and District Leadership are committed to ensuring our resources are used to meet all students' needs. Our Local Control and Accountability Plan (LCAP) addresses the district's vision for student learning, outlines actions and annual goals, and demonstrates how the budget supports these goals.

As an involved stakeholder, you are invited to share your input and suggestions to help us evaluate our offerings and inform decision-making for our 2021-2024 LCAP.
